Dear Holy Rosary School Families,

UPDATE

*CONGRATULATIONS to all of our students and staff on completing the first 2 full days of school! There were so many smiling faces as school began on Thursday morning (and there were still some smiles left by Friday afternoon!). Our children spent the time this week getting acquainted and reacquainted with classmates and staff, learning new classroom routines and policies, exploring new textbooks and workbooks, sharing experiences from the past few months, and even beginning some academic work too.

We were able to welcome our PreK and K families for orientations last week and we are excited to have them join the school community with their first full day on Monday. It will be good to have all of our HRS students together.

Thank you for helping your children prepare for the first few days and we look forward to an exciting, productive and blessed school year for our student, staff and families.

COMING SOON:

*Please be sure that your child has completed all summer assignments. They will be asked to bring in summer reading work for grading and sharing in class.
