November, 2017

Dear Parents/Guardians,

As we begin to prepare for the Thanksgiving and Christmas holidays, we realize that we have many blessings to be thankful for in our lives. The support and love from our families and friends are just a few reasons for us to be grateful at this time of year. The holiday season also provides us with an opportunity to help those who may be less fortunate.

Holy Rosary School will participate in several mission activities again this year to provide students the opportunity to assist those in need. For November, our students will be taking part in a Thanksgiving food drive. Students in grades Pre-K through 4 will be asked to bring in varieties of dried goods (cereal, rice, etc...), while grades 5 through 8 will be asked to contribute canned goods. The drive will continue through November 22<sup>th</sup> and at that time all collected items will be distributed to those in need.

In December, HRS will participate in a collection of items for the Little Sisters of the Poor to help with their ministry, and during the season of Lent, a penny drive will be held. Your support is needed for each of these Mission activities, and we encourage the participation of all our students.

Thank you again for your continued support and cooperation.

Sincerely,
