Holy Rosary School

Family Update

Dear Holy Rosary School Families,

UPDATE

*IRIS Alert- In September IRIS alert forms were sent home to complete and in October we sent a test IRIS Alert to all registered families. This automated phone/text messaging system is a quick way to send an alert to our school community in addition to our regular email notification. This system is used for a weather closing or delay, as well as any other event that requires a rapid notification.

This emergency alert system was used to notify our families of the school closure on January 2nd. If you did not receive this alert please contact the main office to ensure that you are added to the system. You may include multiple phone numbers and emails as well.
